12+ YEARS WORKING WITH AVIATION INDUSTRY

Experience

❑ Aero survey Private Limited ----**Aviation Industry**

Jan 2013 - May 2025 · 12 yrs 5 mos,

Knowledge of Aviation industry

1. Airport

- ❖ *Initial NOC Calculation*
- ❖ *Aerodrome Ground Aid (AGA) Calculation - As per GSR 751 (E), S. O 84, GSR 770, GSR 465(E), GSR 877 (E).*
- ❖ *Obstacle Limitation Surface Charts----Calculation as per DOC 8168, Annexure 14 – volume 1 . Aerodrome Survey Manual – AAI 22/01/2014*

2. Helipad, Heliport and Helideck

- ❖ *The global standard for design, lighting, obstacle limitation surfaces, and emergency services – ICAO Annex 14, Volume –II – Heliports, Aeronautical Information Publication (e-AIP) - Heliport Section (AD 3).*
- ❖ *Guidance on Design And Operations – ICAO Heliport Manual (Doc 9261), DGCA Civil Aviation Requirements (CAR)*

Mr. Saurabh Singh

General Manager

**B.A and M.A– Geography
Post Graduate (Diploma) – GIS
and Remote Sensing**

01

To become a trusted national survey and aviation-NOC consultancy firm, delivering accurate, compliant, and technology-driven solutions for infrastructure development.

02

Empowering Progress through accurate surveys and efficient project solutions.

03

To become a trusted and leading name in surveying and geospatial solutions by delivering excellence, innovation, and reliability in every project.

Our Vision

Mission

To provide accurate, reliable, and timely survey services using modern tools and standards to support clients in obtaining Airport NOC and aviation clearances efficiently to maintain regulatory compliance, quality, and transparency in every project to build long-term relationships through professionalism and trust

Our Core Value

01

Accuracy & Precision - Precision in data and honesty in service

02

Integrity & Transparency — Honest and clear communication

03

Innovation & Technology — Modern tools and Use of GPS, Total Station, CAD & GIS tools

04

Quality & Reliability — Commitment to high standards

05

Professionalism — Ethical and responsible work culture

06

Client Focus — Customized solutions and timely delivery

01

Highly trained and experienced survey professionals

02

Modern surveying equipment and software

03

Accuracy-driven processes and quality assurance

04

Commitment to timely delivery

05

Cost-effective and client-friendly services

06

Strong understanding of government norms and AAI guidelines

01

Survey

- a) *DGPS Land Survey and Drone Survey*
- b) *Road and Highway Survey*
- c) *Topography Survey with Total Station*
- d) *Contour survey and Mapping*

02

Airport Related No Objection Certificate

- 1. Initial Airport NOC
 - a) Civil Airport No Objection Certificate
 - b) Defence Airport No Objection Certificate
- 2. Appeal and Aeronautical Study
 - a) Preliminary Study Report
 - b) Filling application and Drafting supporting Documents
- 3. Revalidation
- 4. Compliance Check with AAI Guidelines
- 5. End to End Support until NOC Approval

03

Obstacle Limitation Surfaces

- 1) Civil airport OLS
 - a) Preliminary Obstacle Surface
 - b) Final OLS Report and Design
- 2) Ground Helipad/ Roof Top OLS
 - a) Preliminary Obstacle Surface Design Report
 - b) Final OLS Report and Design
 - c) Approval for Design related concert regularized body Authority

Our Experts

Gulshan Suman

**Ex- Joint General Manager (ATC)
Airport Authority of India**

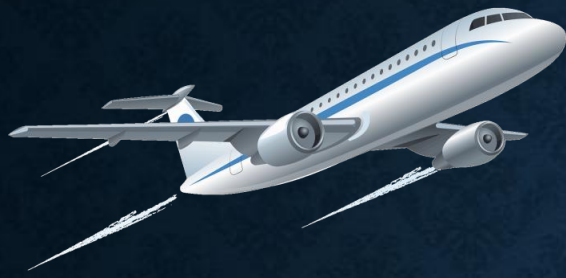

1. *Looking after NOC matters of Height Clearance for all the Airports Of Northern India.*
2. *AGA (Aerodromes and Ground Aids)- Expert.*
3. *Conducting Aerodrome Safeguarding Workshops for the Development of Airports, training of AAI officials and Local Development Authorities.*

Ranjit Haldar

**Expert in Airport Training Operation
Planning and Design
Airport Authority of India**
